

MBIA Remodelers & Custom Builder Council has partnered with MD Department of Labor to create the first nationally recognized Residential Carpenter Apprenticeship Certification in Maryland. This three-year apprenticeship is available for adults and high school students. From foundations to finishing, professional carpenters contribute to a variety of jobs throughout a project and are responsible for bringing blueprints to life.

## **WHAT IS AN APPRENTICESHIP PROGRAM?**

**BUILD A CAREER, NOT DEBT** - As an apprentice, you'll earn a living wage while getting real-world experience. Your instructors will be industry leaders who provide hands-on training to teach you fundamental skills and prepare you for a successful and rewarding career.

## **HOW DOES IT WORK?**

Through a combination of on-the-job training and related classroom instruction, under the supervision of a journey-level craft person or trade professional, you will learn the practical and theoretical aspects of this highly skilled occupation.
